

Confirmation of contribution made by co-authors in publications (Section 10 (3) sentence 2 FPromO Tech)

(Please fill out separately for each joint publication, unless an author contribution statement is available clearly indicating the individual contribution made by each of the authors (Section 10 (4) sentence 4 FPromO Tech)).

It is hereby confirmed that _____
(name of doctoral candidate)

has contributed to the publication

(please cite title, authors, year if applicable, volume, pp.)

as follows:

- _____
- _____
- _____
- _____

Only for cumulative theses (please score out if not applicable):

The doctoral candidate qualifies as the lead author¹.

	Last name	Date	Signature
Doctoral candidate			
Co-author 1			
Co-author 2			
Co-author 3			
Co-author 4			
Co-author 5			

Read and understood: _____
(Supervisor, if not also a co-author)

¹The lead author has contributed a greater share to the work than all other authors individually.
